EQUIPMENT ON LOAN PROGRAM

With the exclusive use of Clayton Coffee and / or Tea, you may qualify for free brewing equipment – loaned to you – by Clayton Coffee and Tea!

Based on your brewing volume and serving needs, Clayton Coffee will install commercial quality coffee and tea equipment in your restaurant, coffee house or café, and provide at a minimal cost to you – water filtration, airpots and decanters. One of our representatives will visit your business and determine the perfect equipment set-up. Clayton Coffee uses NSF approved BUNN and Wilbur Curtis brewers. Visit their websites at www.BUNN.com, or www.wilburcurtis.com.

If you don't qualify for free equipment, you may use your OWN brewer for Clayton Coffee or Tea OR buy one from us....

Clayton Coffee and Tea's technicians are able to service and repair all types of brewing equipment – including:

Coffee Brewers
Coffee Grinders
Tea Brewers
Espresso Machines
Espresso Grinders

Any parts that your equipment may need will be billed separately, depending on your purchase volume service charges and travel time **may** be waived – resulting in a HUGE savings!

CONTACT YOUR SYSCO MARKETING ASSOCIATE
OR EMAIL dean@claytoncoffee.com - TODAY!

ESPRESSO MACHINES

Clayton Coffee and Tea will help you put together a complete Espresso Bar!

AND - It is as easy as 1, 2, 3:

1. One of Clayton's representatives will visit your business, and determine the proper size and features for the equipment for your Espresso Bar. Once you purchase the machine from Clayton Coffee, we will work together to create a menu and recipes for drink training for HOT, ICED and BLENDED coffee and SMOOTHIE drinks.
2. Clayton's Technician will install your equipment, and a Clayton's Trainer will work with your staff on all the drink production on your new machine. In addition, you receive a 90-day labor and 1-year parts warranty along with your purchase. AND, Clayton's provides 24/7/365 service.
3. Start serving great tasting Espresso, Cappuccino, Lattes, Mochas AND Iced and Blended coffees!
